Crustbuster 4613 NO-TILL DRILL RENTAL AGREEMENT

I, _____ agree to pay Broadwater County Extension \$12.00 per acre with a minimum of \$250 for the rental use of the no-till drill. Maximum 200 acres per rental time.

_____ total acres x \$12.00 or minimum \$250.00 \$_____ total amount due

Waiver, Release and Indemnification

Read this form carefully and be aware that you will be waiving and releasing all claims for injury, damage or unforeseen agriculture production results you may sustain from the agricultural services provided by Broadwater County Extension. Please initial next to each number item to indicate your agreement.

1. _____ **A security deposit of \$500 must be paid when the equipment is leased.** Rental dates will be held when deposit is received. The deposit will be refunded after use and after inspection by the Drill Committee or County Extension Agent reveals no more than normal wear, check sheet has been completed and rental fee has been paid.
2. _____ **I will tow the no-till drill with a tractor or nothing less than a ¾ ton truck and at a speed not to exceed 25 miles/hr. I will provide a flagging vehicle. Over width signs are required. Light adapter and signs will be provided if needed but must be returned or taken out of security deposit.**
3. _____ **Agree to operate the no-till drill according to the operator's manual instructions and review of the FIELD OPERATION CHECKLIST (this reference page is intended as a guide to pre-field attachments and settings). I will grease and do a daily maintenance of the drill. I will use a tractor with at least 80 horsepower when using the drill. I will provide the necessary hydraulic adapter (if needed).**
4. _____ **I will inspect the equipment prior to taking possession. I will give written notice to Broadwater County Extension specifying any defect in or other objection to equipment condition.**
5. _____ I will be responsible for any damages in excess to normal wear to the no-till drill while in my possession. If drill requires any repairs, I will contact Broadwater County Extension and agree to be financially responsible for such repairs.
6. _____ I agree not to turn in the field with disks down. This will help prevent damage to the disks.
7. _____ I agree to park the drill at an accessible place so it can be moved during inclement weather.
8. _____ I waive, release, and discharge Broadwater County Extension, its employees and volunteers from any and all liability for death, disability, personal injury, loss or damage to property, or actions of any kind, including unforeseen agricultural production results of any nature which may hereafter accrue as a result of my rental and use of the no-till drill from Broadwater County Extension.
9. _____ I indemnify, save and hold harmless Broadwater County Extension, its employees and volunteers from any and all claims of any nature, including cost, expenses and attorney's fees which may in any manner result from or arise out of my rental and use of the no-till drill from Broadwater County Extension.

10. _____ This waiver, release, and indemnification shall be construed broadly to provide a waiver, release, and indemnity to the maximum extent permissible under applicable law.
11. _____ I agree to set a return date of the equipment with Broadwater County Extension and honor that date. If unforeseen weather or circumstances occur such that the return date will not be met, I will notify the appropriate persons immediately or charges will be applied to my bill.
12. _____ **I WILL COMPLETELY CLEANOUT THE SEED BOX AND FERTILIZER BOX WHEN I FINISH USING THE DRILL. A fee of \$50 per hour (minimum charge) plus travel for cleaning the drill will be assessed if not clean.**
13. _____ I agree that the drill will only be used within Broadwater County.
14. _____ Any modification of this waiver must have written approval by Broadwater County Extension prior to provision of agricultural services.

I HAVE READ AND FULLY UNDERSTAND THE ABOVE AGREEMENT SPECIFYING MY OBLIGATIONS, WAIVER, RELEASE, AND INDEMNIFICATION OF ALL CLAIMS.

No-Till Drill Field Operation Checklist

Please review this list before operating equipment. Page numbers in Operator's Manual are referenced where applicable.

Operator Name: _____

_____ Review Operator's Manual.

_____ Jack secured on top tongue mount when hooked up to truck or tractor.

_____ Inflate tires to recommended air pressure.

_____ Lubricate and grease (pg. 12).

_____ Seed shafts turned manually to check for obstructions and improper chain alignment on drive sprockets.

_____ Correct sprocket selection and slot width for seed type and size (pg. 11).

_____ Calibrate for accuracy (pg. 11).

_____ Adjust drill at hitch for level field operation (pg. 8).

_____ Cylinder stop set for proper toolbar rotation (pg. 8).

_____ Down pressure set for soil conditions (pg. 8-9).

_____ Lower drill while moving forward to avoid plugging openers.

_____ Check seed depth and adjust accordingly (pg. 9-10).

_____ Allow no riders.

_____ After 10 hours and/or end of use, check tool bar bolts, wheel bolts, press wheel swivel bolts, etc. Make sure they are tight.

_____ Cylinder lock removed and stored on tongue (pg. 8). Install limiter if needed.

_____ Chain is in travel mode when moving drill.
